To Nancy's Family, I worked with Nancy at the "Old G. F." plant what a spirited person she was always told it like it was not sugar coating her feelings about what was going on. I felt we had a friendly relationship and enjoyed talking with her. Moved from the Bradley area in August our would have attended her services. RIP Nancy. Your friend Ron "Wilko" Wilkins

Nancy and our family have been neighbors and friends for close to twenty years. Over the years we shared laughter and tears, good times and bad. Always there for each other when needed. She and her "fur girls" will be so missed. I envision Nancy riding horses with her husband Jerry and being happy together again. Rest well & Happy Trails dear neighbor and friend.

I'm so sorry for your loss, and send my condolences. This is one of the hardest times in a family's life, always know that others care. Most important God cares. He has promised a time when he will "swallow up death forever and he will wipe the tears from all faces." (Isaiah 25:8) Praying for your family, and praying you will find comfort in this promise.

Our thoughts and prayers go out to Nancy's family. Nancy was our neighbor for many years. She watched our son grow up and would let him tag along on many of her walks with her beloved girls. She was a special person and will be missed.
