“ Cherie DeYoung, Connie Patterson, and I held a sewing class on Thursday evening at Life Compass church for several years. Connie was a good friend and Cherie and I would also get together with her outside of the sewing class. After she had her stroke and was moved from her home, I did not know where she was and could not have any contact with her. She was a great seamstress, and a good friend and she will be missed. “ Rest in Peace my beloved Connie. You had such a pure sweet spirit. I will always treasure our childhood moments and our adulthood moments together. It seemed our lives followed similar paths: we each married a year apart, took classes at KCC together, were piano teachers together. You lived in Champsign for a while and I lived in Rantoul part of that time and I could go on and on. I will miss you dear one. My condolences to Bruce, Susan, Glen and families. You had the best mother/grandmother anyone could have. She will be in my heart forever.
