“ I will always remember Alex's smile. One time that sticks out in my mind, is when a brother in Christ wasn't able to come drive me to church on Sunday, (we all went to the same church.) Alex said he would help out, and come get me at my house, and drive me to church. Both he and hiis family lived on the west side of Kankakee, or maybe closer to Limesttone, we lived in St. Anna, and the church we went to was all the way out in Bourbonnais, but it was nice. At times it would be only Alex, and at times I would be blessed to see his whole family. I have another memory, because of Alex. One day after church, Alex asked me if I wanted to go get something to eat. I told him he could just go drop me off at my house, because I didn't have any money with me. He said, I didn't ask you if you had any money with you, I asked if you wanted to go get something to eat. I remember going to many different restaurants with Alex and the family, he would help me eat, plus some. I will always remember Alex's smile.
