“ So Sorry to hear of Alex's Passing. He will be Greatly Missed But Fondly Remembered by All Who Knew him. My Son was just asking about him the other day. My whom Loved Alex beyond means. Alex always Saw the potential in kids on his bus and my son was one of them.. Alex could bring out the best in him Even on one of his Worst Days, and would Spoil him by sneaking him treats, like Worthless candy and a Root Beer. Even after my son graduated, him and Alex kept in touch and would periodically talk on the phone.. My Deepest condolences to his Family.

“ Lisa and family,
We are so sorry for your loss. Always know that Alex loved his family (and dogs) and worked very hard to take care you. Working with Alex for over twelve years, he rarely missed work and was always ready to work extra and take trips to support our BOILERS. Even after working a forty plus hour week, Alex would do whatever he could to help others as well. For an example, Alex came over to my mom's house shortly after my dad passed away and gave my son and I instruction on how to "3 course" her chimney to help prevent a roof leak. Well, to make a long story short, Alex ended up taking care of her chimney because our novice attempt was not up to his standards :-)
Alex always had good advice for our dog family as we raised small dogs vs. Alex raising his Neopolitans. We will all miss Alex's sense of humor as well as his dependability and reliability. Your family is in our thoughts and prayers.
