“ *Uncle Rudy was a favorite of mine. I remember how easy it was for him to sit on the floor and work on my heavy, bulky, inside the wooden cabinet television. He didn't get angry and exasperated, but did the job and chatted a little, pleasantly. Years later he stood on the ladder installing the new siding on our house. Sometimes he and Homer passed a few French words between them. I have no idea what they said; it must have been an inside joke. Both of them smiled when I asked and neither of them told me. I am sad for your loss, Karen and Jay, and all the others. Rudy was a good man and will be remembered respectfully, always.*

“ *I will always remember Uncle Rudy and Aunt Marge coming down to visit when we were little. He used to fix our t.v., put a mirror on the chair to see the screen to figure out what was wrong and how to fix it... Good memories. My thoughts and prayers to the rest of the family and God Bless. Love, Vicki*

“ Uncle Rudy will be dearly missed. I have very few, but fond, memories of visiting Uncle Rudy and Aunt Marge. I was always amazed at them having a pool -- always seemed to me like a very rare find in Illinois in the 70's. My sympathy to my extended family in Illinois.
