“ Little Ms Amilea, not a lot of memories little angel. First memory was Mommy and Daddy telling us about you, they were very nervous to tell us. We were so happy about you, Grandpa just knew you was a little girl :). We all ventured to the Smoky Mountains, which at times I don't think you liked the ride and decided to punish mom, :(. You Ms Amilea lit up the world for so many of us, our little butterfly. Amilea Grace, Grandpa knows you are still close by, even though you are a tiny little angel, I'm sure with a big heart, I ask a couple things of you, please watch over your big brother and help him through this world safely. Last thing, please take hold of Mommy and Daddy and help them through this, they both will need your help so so much. Until we meet again, just know..Grandpa loves his little Butterfly.
