“ *Anita was like a second mom to me, & would always welcome you into the house, & make sure you were fed before you left. She made the best chicken & dumplings I've ever had, & I'll always carry her memory in my heart. ❤️*

“ Momma Anita was a very important part of my childhood, I will forever be thankful to her! I spent many mornings sleeping on her couch, (when my grandma was at work), she would wake me up and get me to school! I'm so happy that we got to relive those memories just a few short weeks ago...what a great visit we had! i will never forget you...fly high sweet angel! Love you Michelle

“ Aunt Anita was a special lady! I remember growing up and staying at her house during family reunions. She was so funny and a little firecracker in such a little body! She always made me feel tall because she's the only adult I knew that was shorter than me. I remember her loving butterflies. I always thought she was one of the prettiest ladies- her blonde hair, her blue eye liner and her lipstick. She was beautiful inside and out. I will never forget her. I love you Aunt Anita. Rest in peace. ❤️
