“ My heart goes out to the Drassler family and Stash. Anita was part of our greatest 1957 Class from Waukegan Township High School. We had reunions every 5 years for many years and she and Stash always came to help us celebrate. We were such an active class and everyone knew one another. We all tried to stay in touch with each other over the many years.

I send my prayers to you all with heartfelt condolences and hoping that you can all look back on the wonderful memories of so many great years. Anita will be missed by many of us.

All my love, Chandra Simpson Sefton, Gurnee, IL.

“ Oh Anita, I will miss you dearly. I wish I could visit with you one last time for a cup of coffee and chat. I miss coming over in the mornings before school and catching up with you while you finish your morning coffee. I'll miss how midway through helping you exercise you would always sneak in some candies and sweet treats for us to eat together. You are such a kind, selfless, beautiful soul who will be missed by many<3
