“ *Besides her always making me feel like family I remember her love to sing. One of my all time favorite songs she use to sing was Two Sparrows In a Hurricane when she would sing that I would just get goosebumps. Just thinking of her singing it now I can still hear it and get goosebumps. Anna you was the heart of the family and you will always always be missed and I thank you so much for always making me feel like family even when I didnt see you that much anymore.*

“ Anna touched so many hearts with her cheerful, loving, kind, and fun, positive personality. You couldn't help but love her. She will be missed by so many.... but.... she will live on in the hearts and minds of all she touched. Believe that angels DO exist! Ohhhh and if you asked Anna... unicorns do exist. Her spirit was magical, like a unicorn. Hugs, love, and prayers to all family and friends. I feel I was not only Anna's bus driver friend, but family as well! My heart is sad.... but heaven has gained another angel. 😊🦄😭💔💔🙏
