“ No matter how busy Anthony was, he always took the time to answer my calls about mix designs or other asphalt related questions. He was very good at what he did and was very smart. You will be missed Heavy-D. My sincere sympathies to all of the family.

“ Wow, to say I'm shocked is an understatement. I know many years have passed since we grew up however the twins were a blast to grow up with we got into so much trouble and it was fun! Paul and Jackie you guys were great with us neighborhood brats and helped mold us into the men and women we are today thank you. Andrew and Anthony the two funniest guys on the block with the coolest toys to boot! Man we used to tear up the dirt track across the street from the house. Well my good friend we split and went our ways a long time ago but I still hold all those memory's as a kid close to the vest. Rest easy my friend.

“ My most heartfelt condolences go out to Anthony's family. I will pray for strength for you during this time of seemingly insurmountable loss. You all have been through so much. He was a good, kind and loyal friend to us who were lucky enough to call him friend. It doesn't seem to be enough, but to say he will be missed.

“ This one is a hard loss. A good man, honest, hard working and made people smile. I had the privilege to be friends with the twins since kindergarten. The world just lost one of the good ones. May he rest in peace. My condolences to the DeLong family.
