“ Sweet uncle Tony. You traversed the veil and now are reunited with your loved ones on the other side of the garden wall. Ever as generous of heart and filled with big bear hugs. Fly high my dearest uncle. Know you will be missed always and for eternity.

“ My heart is breaking right now. Tony was my absolute favorite. We loved to joke around together and he was often the highlight of my day when he came into the office. The picture you choose for his obituary is the way I will always remember him! I am working Saturday and so sad that I cannot see him one more time. My heart breaks for all who knew this gem. He was a great man! Rest in paradise my friend.

“ *Mr. Barber.
One of the iconic father figures in the neighborhood I lived in as a teenager and whose sons were sometimes my partners in mischief. He was always kind to me all throughout the many years I knew him. His sense of humor and the warmth of his being will never slip from memory. RIP Good Sir.*
