“ *I am so sorry to hear of her passing. So many memories if my childhood revolve around her. Eating ham sandwiches with potatoes chips in top, setting her hair and hiding under the coffee table when Frank came over. Looking back she had an impact over how I am today. Her heart was pure and she had genuine care for those around her.. Rest in Peace!*

“ Arvella and Mario Dalcanton were my next door neighbors where I used to live. I've known them ever since I could remember. They were more than just next door neighbors. We felt they have become a part of our family and I have to say they been the best neighbors we've had. I always come home from school and Mario or Arvella would be outside and every time I see them they always wave or come by just to say hello. Other times I always seen them checking the mail or doing yard work and I would peek out of my window and yet they always smiled and waved. I really miss that because to me they cared a lot about my family. Especially Arvella she has been an absolutely blessing to me over the years, her and her husband both. It was the littlest things that made a huge impact on my family. We all miss them both terribly but we are truly grateful with all the memories we have had with them. Wherever we go now they will always be our neighbors next door.

“ Our sincere condolences to the Dalcanton Family 🙏 Our lives were blessed with an abundance of love and friendship with this family. Nona always had a meal for David anytime, taught me to make what she called bbq(homemade sloppy joes), and babysat my children. Such a beautiful lady, love you dearly 💖 The Ditterline Family

I remember that name. She was friends with my mother, years ago. I remember going to her house over by Lehigh stone pile. I was very young back then. My mom was Lucille Curtis.
