“ *So many memories of Aunt Audrey through the years! She took care of Steve and Rhonda when they were just babies and loved them as if they were hers. Always cheerful and smiling. She provided Christmas for the older Fairfield kids when they were young. We'll miss knowing that she's just a phone call away! We loved her dearly!! Please let us know when the memorial will take place. Our sympathies to Chuck, Jim, and Rob and their extended families!!*
