“ *With my deepest condolences to your entire family. Austin was a true role model. As an honorary member of the Limestone fire District family, Austin demonstrated more courage and strength then I could ever imagine for someone at that age. We looked forward to the times we saw Austin and his smile. Rest peacefully little brother, your second family, the firefighters of Limestone, will always have you with us. May God Bless You.*

“ Our thoughts and prayers are with you...When I frst met Austin he was quite little.. he came with his parents and was standing in my door way very excited..he wanted to run toward my kitchen and he did: he was laughing and pointing at my blue wall. I was told he loved the color blue. May God watch over all of you...May his angels give you comfort..May God hold you in his loving arms. Praying for Your Family...Susan L. Potter

“ Austin had a way of lightning up a room with his enthusiasm and zest for life. I will never forget CharacterDay at Herscher Intermediate where some of us dressed up as Cat in the Hat for Austin. A year later at Limestone, Austin ran up to me in excitement and said "You're the Cat in the Hat lady!" He never stopped smiling and his excitement was contagious. Austin was wise beyond his years. He touched my life and I am forever grateful.
