“ *Nancy taught me so many things. She helped me to be the person God wanted me to be. Through her example I learned about unconditional love and picking my battles wisely. She helped me to get my sense of humor back that I thought was gone. She taught me how to always be real and to let everyone in. She helped me to let my walls down and to let love in. Love you Krissy Norman and Angie*

“ I have too many memories to pinpoint one!! We went to church together with this wonderful lady and her family for a very long time. I grew up alongside her kids, watching them grow up with me. I remember countless christmas programs Nancy helped with and organize, as well as tons of other activities for all of us kids to do. She was an exceptional leader and had a deep passion for entertaining kids and showing them the love of the Lord and his teachings. I cannot express my sympathies enough for her kids and grandkids. She is called home but we shall truly be missing her here until we meet again.

“ Nancy has been in my prayers since the day I met her, and I thank God for bringing her into my life. She has been such an inspiration to so many. She had a way of making everyone she met feel like they were her best friend. My prayers are for Nancy's family now, I pray that each day gets just a little bit easier than the last. I have no doubt Nancy is in Heaven watching over all of us now. I'm sure that if she could have stayed here on earth with her children and her beautiful grand children forever, she would have, but she is with Jesus now and that is the one place we all hope to be when our days here on earth are over. If any of you need anything at all please don't hesitate to call me.
