“ *I am so sorry to hear of Bev's passing. I will always have fond memories of her wonderful care of Kati when she was a baby. Bev made her first Halloween costume and brought my little clown to the bank to share her with all of us. My sincere sympathies.*

“ *Aunt Bev was a bundle of Uran, Jensen, Fortin fun and spirit. I will always be able to hear her voice and laugh. She was always the kid charmer. My Mom used to marvel how she could make a dress without a pattern. Loved watching her light up around family. That's one big State Park reunion going on in heaven right now. To Aunt Bev's cherished family, my sincerest condolences, with Love.*
