“ *Bev always brought such joy where ever she went. She could always make you smile and laugh, what a gift! We had the pleasure of being neighbors for many years. Later she learned sign language and was such an asset to the Deaf Community. She interpreted my wedding, We were so grateful she was able to that. She interpreted many other life moments through the years for my family. So to say she impacted our lives in a powerful ways would be an underestimated. We are so very sorry for your loss, but we know that she will be remembered for her joyful and giving spirit. May God comfort you and bless you now and always.*

I was so sorry to hear that Bev has graduated from this life to the next. She was the best friend I have ever had. She introduced me to sign language and was instrumental in my being involved with the Deaf Community for many years. I regret that we lost touch thru the years. I'm so sorry that I won't be able to make her service. We now live in Tennessee and cannot make the trip by tomorrow. All my love to you all. I know you will be lost for awhile without her!
