“ *My Dear Aunt Blanche will be missed and remembered with love. The last time that I visited with her and Louis we had martinis! She made a beautiful lunch and we shared the afternoon with laughter and happy tears. She was always so kind and lovable!
I know that she is at peace and that gives me comfort. Sincerely,
Carol & John Foushi*

“ *My Aunt Blanche was a funny and gracious person who always seemed to enjoy life. She lived with me and my Mom and brother when her husband was in WWII and my Dad was recovering from TB in the 40s. Over the years we always made a point to visit with her whenever we went back to Kankakee. Our last visit was last November and I remember remarking to my wife after we left that she looked great and would go on forever. So sorry to hear she passed away. I will really miss her smiling face.*

“ So sorry to hear the passing of Blanche. I'm a author of a family history website called "Charles Granger 1810" about our shared French Canadian ancestors who left Quebec, Canada and settled in Kankakee County, mainly St. George, Illinois during the 1840's. I'm a descendant of the Boudreau family and related to many Boudreau's in the Kankakee area. Can anyone tell me who are Blanche's parents? Or who she married and who is her husband's parents? Merci Boucoup to anyone who can help.

“ Blanche was such a sweet, caring person and I will miss her as a neighbor and friend.
We shared many memories made all the more memorable by her quick wit and infectious laughter. She will be sadly missed.

“ *Blanche was a friend of mine and I will miss her dearly. I met Blanche 5 years ago one cold winter day. She yelled out the door "can you shovel my snow too", I replied yes I will, and our friendship began. I was was her Lawn Care/Snow Removal provider for five years. She always invited me in to see my smile and offer advice on how to take care of myself. We talked about fund raisers and helping children a lot. my name is Darrell Riley and I will miss my friend dearly*
