“ *It is with heavy hearts that we send our Deepest condolences to the family of Bruce. Our best memory of Bruce is at Jerry and Angi's marriage ceremony and the smiles, happiness , and congratulations afterwards . In the pictures of him and the couple , it was evident he had a good time and was happy for them. I particularly liked the one of him and Jerry. A wonderful father, son picture. From things Del and I have heard of family gatherings and annual events like pumpkin carving together, we know he will be sorely missed . He was a good man, husband, father and grandfather. Emma spoke highly of him. That says a lot.*

“ I met Bruce 50 years ago come January 2021, we were both rookies on the Kankakee Police Department. And we both went on to retire from a thankless job.

It has been a lasting friendship. When we ran into each other we could always talk and have a good laugh.

He was a good man, and he will be missed.

For his Family:

May God turn your time of darkness into light again. May he stay by your side during this difficult time.
