“ *So many memories from all of the grandkids riding in the back of his station wagon, fishing and feeding the swans in the backyard, riding on the pontoon and other boats, going to cubs & sox games, the list goes on and on... But no matter what we did or where we went time with Grandpa was always fun and full of laughs. You will forever be loved and missed by everyone you knew, but we all have wonderful memories that we will continue to share so that you will live on forever with us. 💜💜*
