Cheryl and I were best of friends growing up in Aroma Park. Many sleepovers!!!! We had so much fun together just being neighborhood kids. Her Mom and my Grandma worked at the Aroma Park Cafe and we visited there often...free fries and shakes:) So sad that we lost contact after high school. Thankful we just recently met at our 50th class reunion and enjoyed dinner together. Beautiful Friend, you'll be missed.

“ Cheri was a great person and a fun cousin! She invited me and my twin, Judy, to our 1st slumber party where we learned that you couldn't be the 1st to fall asleep. We played countless hours of petty work up (softball). I remember she played drums in a garage band - don't know if the band had a name. We also played card games, mouse trap and dream date to which I always got the dud! Uncle Andy, Aunt Arlene, Cheri and our family(The Burke's) went on vacation together to I think Washington DC one time in 2 cars. One of the cars got lost on the way home. Too bad we didn't have cell phones then.

Cheri wrote a poem when our mom passed away at age 36. My brother Dean still has the poem she wrote. I will always treasure her for her quiet and gentle love she gave to us. I was so glad that we texted each other over the last year and a half. I will miss you cousin until we meet again.

Love you!
