“ I'll be singing "The little old lady from Pasadena" backwards like we use to do when we were kids. Our mothers thought we were nuts when we said everything backwards. Cindy and I had a lot of fun together. She was a beautiful person inside and outside, and she was an even better friend. It comforts me to know that we have her watching over us from Heaven . I love you, Cindy. We'll see each other again one day. It's not fair that you were taken from us.... We lost a great woman, but Heaven gained a beautiful angel 🙏. I Love You.
