“ You will be missed greatly. You always had a way of making people laugh and lighting up a room with your smile. I'll always remember our little talks and goofing around. The world is a less better place now that you are gone. We will always love and miss you.

“ Corey.. You are one of my good friends.. I will miss your smile, and your happiness, you had a happy twinkle in your eyes-all the time. (and not for obvious reasons..lol... but because your soul is that of a good person.) You always lifted my spirits when I was feeling low. You were always there to calm me down and keep it real with me-when I was freaking out...lol..u knew I can get crazy, and u loved me for me anyways.. as a person.. and I will never forget you Corey Gilbert i have my shirt from this pic, with your #710, I will keep it forever.. a reminder of you and that there are good hearted people in this world, wish u didnt have to be one of them to leave..but Ima need you to make sure Tony doesn't forget about me (like you always do for me) and that you make sure we are all good down here!! You were a good man, with a big heart.. until we meet again.. i know ur up there with a crown and ginger ale.. realizing that you are now a guardian angel for like 100's of people down here! me especially!!!
