When Cory was just a toddler, I'd come over to the my sister Ksthy's house and I'd tel him I loved him bunches and bunches. It was a game between us. When Kathy had to have surgery Andy brought Cory out to our farm. Since M Mom and Dad were up early in the morning Cory stayed with me during the night. I got up with him when he was crying and needed changing or a bottle. RIP Cory. You are with your mom now.
