“ I just learned of Dale's passing. We worked together at Roper and remembered each other's birthdays for many years after. I considered Dale a good friend and he was a wonderful, loving person. My sympathy to his family and friends.

“ You used to come in where i waitressed all the time and get a diet and a glass of water and at the end of the night you'd always count my tips for me..you just liked doing it and it became a thing for us lol and when I left we always saw each other and kept in touch! You would always say give me a hug honey! And we'd always say I love ❤️ you to each other! Then we kept up on social media and said the same! I sure will miss your kindness and what great friend you were to me and many others! Love you honey! Xoxo

“ It’s Linda Brosseau. I remember the good crazy happy times with Dale at his house and at Gingers. He had so many friends and we were his adopted family. He was like a big soft teddy bear and was always there greeting us with a big hug and kiss. He would always get us laughing as he would say” I could write a book on my crazy fun life”. He will not be forgotten and we will miss him so much.

Love

“ Dear Family of Dale Arnolts: I was so sorry to hear of the passing of Dale. I was just in on a Care Plan Meeting with Dale not too long ago. I remember Dale asking about his foot. He was concerned about why his foot was bothering him.

I use to see Dale, in the main dining room, every morning, having his breakfast.

I was hoping to see Dale return to us after his hospital stay. So sorry for your loss.

Blessings of remembrances, Chaplain Carole R. DiZeo  
Director of Spiritual Care

“ We will miss you uncle Dale, you were truly dear friend to us. I remember going to your house when I was really young maybe 7 yrs old so that was in the mid 70s Let's say I can still remember it lol funny funny, like the man in the barrel on your bar. Then through all the years of my life getting sung to every birthday and/or a card. How you remembered every year I don't know but every year you made my birthday special. Then later in years I would see you in coyote canyon and always greeted with a big hug and an I love you baby. ❤️ I will always remember the smell of your aftershave that you always wore.

You gave me marital advice and listened when I needed it most. I'm also so grateful you talked to Rusty for me that one day early in our relationship to tell him about me and give him advice too. Now here we are 2018 and almost our 3rd yr Anniversary and very happily married. I thank you for being there for us. I'm sure your busy up there so to say Rest In Peace I know that won't happen. I'm sure your smiling and with family and friends and until my day comes, see you then. love you Uncle Dale.

Love

Gina

“ My earliest memories include Uncle Dale. I can remember him babysitting me and Jim he was the best babysitter ! Beads hanging from the doorway and the little kids desk he had to keep me out of mischief lol ! I will miss his laugh and the Birthday Song every year, but I have it on voicemail and will miss the conversations that followed but I will listen to it every year. Love you Uncle Dale. I will miss you.
