“ I miss you, Dad. This past weekend, I read 13 years of the emails we sent back and forth to each other. It made me feel like I had more time with you. I love you and always will.

Love,
Brandon

“ Sorry to hear of Randy's passing, we grew up together on Drummond Drive. I have a lot of good memories from those days. Our birthdays were on the same day. I still remember the skunk he had and his dad's airplane in his garage. I'm sure he will be missed by all who knew him. My sympathy to his family. Sincerely, Gary Metschuleit.

“ *Randy was the most important man to me. When we were married he swore he would divorce me if I gained weight.. I did with both my boys. I said are you gonna get rid of me? He laughed that hardy laugh and said hell no! Your carrying my baby.. both times.. I miss him so very much!*
