“ I would consider Danny my best friend throughout High School. He was one of the nicest, big hearted people i've ever met and a blast to be around. I have so many fond memories of him. From shaving his back, to him knocking me over a seat to get Pantera drum sticks, spending nights playing games till the wee hours of the morning (killing his monk), all the times hanging out at Crazy Eddies (where he broke the door) and Nancy's pizza. I could not have asked for a better friend and a great group of guys to hang out with at the time. Though time and lives got in the way of our friendship I never forgot him or every single memory that we created. My heart goes out to all of the ones he has touched especially his family. He will be sorely missed.

“ We are so sorry to hear about Danny, knew Danny through our children Henry & Paul Lingle. Told Danny if I didn't like him, I wouldn't be treating him like one of my kids. If I made one of them mind, I would make them all mind. He will be missed by all those who knew him and loved him. Our prayers are for the family. Bob and Jackie Lingle and family

“ *Loved when Dan would come in on bingo night and give me back rubs, and whisper in my ear "your gonna win, I feel it" ❤️*

“ *I grew to love you as a coworker, then a friend. You always amazed with your brilliance. I appreciated your sense of humor and your ability to make me laugh, mostly at myself. I admired how you always looked out for me. It was you who never forgot to remind me that life is short and our time on this earth is too valuable to waste on trivial matters. You will be dearly missed!*

My deepest sympathy to Dan's family and to all who knew and loved him.
