“ *As the Anderson's caregiver for the past year now I got the privilege to get to know Delores & Myron well...Her love for her wonderful husband Myron & his love for her are an inspiration in its own & their loving Family whom I got the honor to know ..It didn't matter if you knew her for 5 minutes, months or years, she had a way of touching hearts & she sure touched mine heavily...The Anderson's faith in the Lord helped me to open my eyes to the lord all around me & now instead of praying once in awhile I now pray everyday 3x a day...Delores was a one of a kind & I will miss her deeply but will think of her beautiful smile & laugh everyday along with her bible scriptures she read to me every week will stay in my heart forever...To one of the best ladies I know Rest In Peace Delores & Thank You for all the joys you have given to me...Love You Always*

“ *Sis. Anderson was such a joy to my family, especially my children. She was like another grandmother. She always made me feel important and would scold me if I got on to them in front of her. We sure missed her when she moved, and are heartbroken that she has moved again, but I know she is in a good place in the Lord. We love and are praying for all of the family that she was so very proud of.*

“ Bro. and Sis. Delores Anderson was our Pastor and wife in Chester, IL. Sis. Anderson was our piano player, song leader and big sister to all of the young people. We loved them both. Our family loved them throughout the years. She was a babysitter to my husband when he was a child. She and Bro. Anderson will always be in our memories. Such a sweet Godly example of what a Pastor's wife should be. We look forward to seeing her again someday. Shirley Loucks Bell
