“ *We met Denny when we were volunteering with him at the Manteno Veteran's Home. He was a great guy who worked there frequently to help the veterans in spite of having quite a distance to drive to get there. He was friendly and caring. We will keep him and his family in our prayers.*

“ When I was a kid, you drove me around your property on the back of your motorcycle. It was my first time being on one and I thought it was the coolest thing ever! Then, when I was 10 or 11, I remember you and Uncle Kevin riding your motorcycles to the city limits, behind Dad and I when we left to come back to Florida. Wish we all had more time together, but I always loved and thought about all of you so many times. You'll be missed Uncle Danny, I love you 🙏💜
