“ *Diana was my cousin, we were together a lot as kids and talked on phone over the years about our families and our lives. She was a good person. I am very sad about losing her so soon.*

“ *Diana, you were such a fun lady to work with. A lot of people didn't always see eye-to-eye with you at times, but when they did, they knew you for how sweet of a person you were. You were always good to me, and treated me like one of your own kids. I wish I didn't lose contact with you when I left our old job at Sodexo. I'll always hold you dear to my heart, sweet lady.*

I am so shocked at the sudden death of my sweet cousin, Diana. We remained close over the years, even after I moved away. I thought about calling her last week because I hadn't heard from her in a while. Regret, I have to live with. I will miss her pretty little self and talking to her. My heart breaks at the loss of Diana. I love and prayers to her children and grandchildren. 💙🙏 Kathryn Quigley
