“ Dear Terry and Daniel-

The morning of Diane's birthday I was stopping at McDonald's for William and Landon after Landon's bowling session. I started thinking about you guys and how we ate Wendy's after work at your house. I thought when the boys start summer camp I will need to stop by with some burgers and visit...LITTLE DID I KNOW AT THAT MOMENT...

I am SO sorry and shocked to hear of the passing of Diane. When she called me a couple of weeks ago I was surprised at how well she sounded given things were not going so well for her physically. She was very appreciative of the care and love that you 2 had given her.

I am glad that I had the opportunity to come to know her through Daniel and Evan's friendship. We had some good visits when we were able to.

I am heavy hearted that I will not be able to attend the graveside services due to work BUT please know I will be thinking of you all and pray God's peace for you during this trying time. May your hearts heal quickly!
