“ *My condolences to Pats Family and Friends. Pat was a wonderful person. I first met Pat in 1992 when I started work at Kraft. She became a friend immediately. She gave me a ride to work every day until Kraft closed. WE lost touch after that, but we would run into each other at the grocery or at WalMart where I later went to work and it was if we had seen each other every day still. Her husband Bob helped my husband get a job driving truck at Blue Ribbon Sod. They were a great couple and great people! I will always miss her humor and smile and her ever so friendly voice. Jean*

“ *Pat was our neighbor and a wonderful person. The day our family moved in next door almost 12 years ago she was friendly and welcoming. She had a big heart and she treated my kids almost as her own grandchildren. We have all lost a great person. Our block party will now be a celebration of her life!*

“ Pat was a truly great person and an asset to her neighborhood! From Block Parties to helping out a neighbor, she was always there ready to help or simply with a warm smile and words of kindness. She and Bob were like second parents to my younger brothers. She will be greatly missed but remembered with joy and fondness! Our hearts go out to Keith, Corey and the entire family. Keep the Faith and Pray that your losses will only make you stronger...God Bless!!

“ What a profound loss. Pat was such a beautiful person inside and out. She always made you feel welcome. I have known Pat since 1978 and even though I wasn't able to visit often, when I did, it was like I never left. I felt so close to her. She treated me like a daughter and a friend. I pray for her family, Keith, Vicki, Corey and her precious grand and great-grandchildren. She will always be with you....Love you all - Lynn
