“ *Donna was a wonderful friend throughout many hard times. My condolences to her family I worked with Donna for 10+ years and enjoyed her humor and honesty. My favorite memories were her annual reviews. She told me it was her goal each year to make me change at least one category from my original review. Her determination never failed, she always met her goal. She will be greatly missed.*

“ *My condolences to all the family. My fondest memory is Halloween at Donna's house in FL. It was great having everyone together and being silly. She will never be forgotten, but will be surely missed.*

“ *Donna and I shared a bond that time never broke and will continue through eternity. I will miss seeing her but she is in my heart. That infectious smile will be with me forever. We met at Prudential in Chicago when we were 19, she was a bridesmaid at my wedding and part of my extended family. Her Holly and Andy I am proud to claim as my Godchildren. Michelle is very special to me as well. Love you all!*
