“ *It was a pleasure and an honor to care for Doreen in her final days. I wish I could have gotten to know her and her family better. I can see that she was much loved. I also wanted to say thank you to Linda Twamley for the beautiful card I received. It is wonderful that you thought of me at all. Thank you...Sheila*

“ *Growing up during WWII was a challenge, but Doreen enjoyed Girl Scouts (Mrs. Allen was our leader) and I especially remember an outing where we girls rode our bikes clear out to Kankakee State Park, then camped overnight. All with Mr. & Mrs. Allen watching over us. In High school she was our band majorette, and a mighty good one too !  
We graduated in 1952, always enjoying getting to see her at our class reunions,  
She will be remembered as a good friend, and a fun person.*
