“ *Karen & kids- Im so very sorry for the passing of Ed. I have so many memories of the days when our kids were little. We moved in opposite directions and no longer get to see each other. But your family is always in my thoughts. Much love- Vicki*

“ *I am so saddened by Ed's passing. We were childhood friends in the old neighborhood in Chicago when he lived on Seeley. I knew him as Cooper, we were all hanging out in a group just enjoying being young. I will keep Ed's wife and all his family in my prayers, his Mom, sister Linda and brother Don during this difficult time. Judy Colletti (Dineff)*

“ Although it was a long time ago, Eddie, Ed, or as we called him Cooper was my best friend I've ever had in my lifetime.. usually if you saw me, Eddie was there too.. there's far to many moments to share in one writing.. We loved each other like brothers.. He was always there for me, and I was always there for him. It's just the way it was.. We had a special friendship to say the least.. We were just kids in the neighborhood, then the same high school, then our plan was to go into the military on the buddy plan together. Although that didn't work out for us we both served our country.. Afterwards life happened, marriages, children, jobs.. He will be missed by many I'm sure.. He was just that kinda guy.. I Love you brother, always did and always will..... .
