“ Prayers and love for you all at this sad time. I have fond memories of Elaine while growing up in Illinois. Our parents were very close. So, our families had many gatherings together, especially Thanksgiving and Easter. We had rousing sing-alongs with Sid's violin, my Mom's clarinet & Grandmother's piano booming--such fun! Elaine was always nice. She was a little older than me. I could hardly wait to wear high heels and lipstick like she was allowed. I thought she was fancy being able to do so and I could hardly wait to be like her--- anyway, good times, fond memories from many years ago. Again love & prayers from California--Mary Sharon Orr Smith
