“ I didnt know Liz very well but every time I seen her she had a big smile on her face, she was such a beautiful person inside & out. My heart goes out to her family & friends. Your all in my thoughts & prayers!

“ The world has lost the ability to engage with a beautiful soul in Liz, today. However, she can now move on the next cycle of life in whatever capacity and wherever that may be. This recent experience was just a step in her ongoing evolution of spirit, and she is now freed of those bonds to continue on her journey. You and we will miss her, you and I both know she's going to always be there-smiling, laughing and watching over all of us. She will live on in everyone, everything and in our hearts. Thank you Liz for everything you have given us.

“ I've known both Joe and Liz for many years and only re-connected with them thru facebook within the last 5 or so years. So sorry to hear what she was going thru, but she had a good guy by her side. Joe, you were her rock. Stay strong. Rest in Peace Liz. You will be missed.

“ To my Ponce and Hernandez family I pray that God will send you His Holy spirit to comfort you all. Remember that she is no longer suffering but in her glorified body. My greatest memories of course were in our younger years, the 80's, when we had our poofy hair and watched MTV. She always had a smile that could light up a room. I will miss you dearly Dizzy but you are no longer in pain. Te Quiero as our Wela would always say
