“ *My prayers are with the Wolles family. May the Lord bring you the grace and comfort needed at this time. I have so many fond memories of our childhood together on Oak Street. We made so much Kool-Aid in your kitchen and enjoyed it from those colored aluminum cups. I remember your mother helping with a dress I made for a school dance. I knew she was such a great seamstress that I was almost embarrassed to let her see my work. I spent so much time in that house, I occasionally got scolded like I was one of the family. I wish I wasn't so far away (San Diego). May all the memories shared be a blessing to you all.*

“ My memories of your mother and father began in the 1960's. . working with your father in the summer. As I began a teaching career at HHS, I had fond memories of your mother in the unit office and teaching on the same side of the desk with your father. They will always hold a special place in my heart. Please extend my deepest sympathy to all of the family members. I am not able to be with you on Tuesday, but your family will be in my thoughts and prayers.

“ I recall so many fond memories from my years at Herscher. But the Wolles family is at the top of my list. Patty, please express my condolences to your other family members and wish I could be there. But, not being retired yet and living at The Lake of the Ozarks makes it difficult to get there. I know you all are filled of fond memories of you Mom and Dad, I have many also. Bob Cotter
