“ *Uncle Ervan will be miss by all of us. One of my fondest memories is when Uncle Ervan taught me how to drive a stick shift automobile. He taught me in his mid 1970's green Ford Maverick back in the early 1980's. The transmission had a problem with first gear, or I did, not sure which one. Starting in first gear always felt like a bucking bronco! Uncle Ervan was so patient and supportive while he was teaching me, but I knew I made him nervous. He had stopped smoking by the time he was teaching me, but he still would chew on cigars, which he was doing as he taught me how to switch gears. It seemed to me the cigar kept shrinking the longer we drove together! In the end, he made sure I was able to drive safely and even gave me a smile. That is the other thing I will miss, his smile. He would always greet us with a smile and made us feel so welcome! I look forward to seeing him again in heaven.*

You are truly missed,

Brent, Nancy, Katie, Megan, Jacob, Andrew Rattin

“ *My Uncle Ervan was called Home on Friday. He is with his Mudder and Fadder, sister, nephew, niece and brother in laws. I miss him terribly, but I am thankful he is healed and in the presence of Jesus!*

There are so many things I can say about him...things that maybe only our family will understand. There was definitely only one of him and I love him dearly! I remember ice skating on rivers, coins all over his bedroom floor, swimming with him when I was little, losing my stomach when he would be driving and speed over those little hills, going around railroad barricades when no train was coming, going to the fruit and candy stand just down the road from the old house, snapping pictures, outrageous and funny stories that I still dont know if I believe, helping me practice my back flip, chocolate cokes and the list just goes on.

I am even more Homesick than I have ever been! I am glad he will be one of the saints cheering me on to finish this life strong! I love you!!!

“ I am sorry for the family's loss. The passing of someone you love can be a very difficult thing to cope with. Perhaps you can find some solace in the promise of the resurrection mentioned in the Bible at John 6:40.
