You're the best Jeff. -- Meghan Dunmore (I married Gene's nephee who is just like daddy, I might add)

“ I am sad to hear of Gene's passing. I still remember the bicycle ride we did from Borg Warner to my house in Bradley and other rides on the county roads. I know he took a lot of pleasure when he was riding his BMW motorcycle. He told me one time how he was going fishing for some big cat fish at the K3 Damn. Gene loved to do many things and he was a man of many trades. My condolences to his family. Jeff Lonergan

“ I am so sorry for your loss Roger and all of his family. I have missed your grumpy smiles since you left Borg. A very sweet man even though he tried to look mean.

“ My favorite memory of my uncle Gene, is when he took me and my brother frog hunting at my daddy's pond when I was about ten. We would shine flashlights on the big bull frogs and once we saw their eyes, Keith and I would gig them, or Gene would shoot them with his muzzle loader. He had a new one that we thought was great! After the hunt, we would get mom to fry the frog legs and watch them jump in the pan. So good! Gene, Brenda, Andy and Jeanna came to our house several times over the years. We always enjoyed them coming. So many good memories!! Rest In Peace Gene! You will be greatly missed!!
