My name is David Hasbargen. Floyd and I were "best buds" in the early 60's. I worked with him and his dad on their farms. We worked hard and played hard. My best friend ever. I will miss him. Sleep well Floyd.

“ *We were so blessed to have him as "across the street neighbor" for a few years (not near enough). Enjoyed our visits, sitting on the porch, and just talking. He threw up his hand to every passing vehicle. Any time I needed some assistance, he was more than happy to help. Have missed him so much since he moved, and will also miss talking on the phone. Floyd and I went to school together all 12 years. I treasure our memories of the small town school and all the fun times we had in school together. He was such a neat person. i was shocked to hear he had passed as I just received his yearly Christmas card. I will never forget him. Sending sympathy, prayer and hugs to his family. May he rest in peace. Eternal rest grant him God and surround his family with peace and comfort.
