“ The passing of my Uncle "Bud" has me thinking of all the memories we have had together. The best being New York; New Years eve 2003. We were at a good place to see the ball drop and he "F" this lets drink. We went to a great hole-in-the-wall bar "red rock" that only New York can provide. Other fond memories were golfing. At first he said why hit a little white ball and then chase it but after 1 round I think he was hooked. Love You Uncle Bud. Until we meet again, tell Payne Stewart I said "hello"

Love Your nephew,
