“ *Dear Chuck and Family,*

My sincerest condolences on the loss of Frieda. It was by pure accident that I found her obituary. I remember those times during the early 1960's that we all served in the Air Force together. We worked hard and played hard when we got the chance. The years have separated us but not those precious memories. I vividly remember serving in your wedding party, riding that cold bus from Michigan to Illinois that December with Rich Krieling. I lost Judy almost five years ago but we had 53 good years together. She taught school and I worked in Computer Science for careers. I moved around a bit with IBM, mostly temporary assignments. I retired 24 years ago. I have two children, a son who lives nearby and a daughter in Nevada. I am in reasonably good health for 81 yrs.

God Bless you all in your loss. Please contact me if you wish:

“ Hello Jill,

I am so sorry to hear of your mother's passing, especially during this chaotic year. It sounds like your mom led an interesting life, particularly her service in the Air Force. I know that the holidays will be emotionally challenging, but I hope that you and your family can share memories and love and find some peace in the wake of her passing.

“ Dear Jill,

I was so sorry to hear this morning of your mother's passing. While there is never a good time for sorrow to come to us, we do have the comfort of knowing your mother has entered onto a world of peace and rest where the trials of this mortal existence will never again burden her. We will all meet our loved ones again in a place where there are no more tears. Dr. and Mrs. Mark Bannatyne
