“ *So much of my childhood holds memories of your mom and the rest of your family. So many times visiting at your home in Roseland. I can't think of a time that your family was not a part of my life. May you all find comfort in knowing she is at peace and reunited with your dad.*

“ I love you Auntie Garn and I am going to cherish all the memories I have especially my times in Antioch and going to Bingo with you when I was a child. You lived a long beautiful life, but now may you rest with Uncle Frank and everyone else...
