“ I work with Gary for 12 years at Jewel in Bourbonnais. He was very good at his job and made sure the store was ran properly and safely at all times. He was the sweetest person to everyone. He talked about his family in a way you could tell he just loved them so very much!! Especially his wife! Always picking up things she would ask for or needed for home. I am so very sorry for your loss and I continue to keep you all in my prayers!!
