“ Was a very loving cousin. Love the time we spent together doing our genealogy finding our family history. I enjoyed my last visit with him when I was back there with my sisters and visiting with him and Anita. Cabby I am going to miss u not being able to chat with u on face book and continue our journey into the family tree. I think we did good in what we have done. Love u. Cabby was such a kind loving caring person. I think u were the best. Love Sharon
