“ I have known Glayds my whole life. she was a wonderful person. one memorie that sticks out in my mind. is when I was in 4-H she helped me with my sewing project and was teaching me how to use a sewing maching. she told me to push on the peddle little harder I did and the needle went right threw her finger. I cryed and she just said call your mom and get help I did after that we would remember what happened and we would laugh about it. glayds was my moms best friend we sometimes would go to their house for homemade ice cream yum yum. I am so sorry for your loss.i did love her
