

Gregory K Skarstad

November 15, 1945 - September 14, 2020

Gregory K. "Greg" Skarstad, 74, of Herscher, passed away Sept. 14, 2020 at Miller Rehabilitation Center after a long illness.

He was born in Urbana, Il. Nov. 15, 1945. He was the son of Everett Fuoss and Barbara (Jones). At age 5 he became the son of James Skarstad and Barbara (Jones). They precede him in death. He married Wendy Underdahl Aug 15, 1966. They lived in Champaign, Il.

Greg's first job was as a brakeman on the Illinois Central Railroad. In 1969 he was employed at RR Donnelley & Sons in Dwight and moved to Herscher at that time. He worked there 37 years. His next job was at Leiser Furniture in Herscher. He loved working there as he was a real "people person".

He loved to golf and after retirement spent many days playing golf with his great group of "old guys" at High Point Golf Course in Essex. He was an avid Bears and Cubs fan. He was on the Herscher Labor Day parade committee for over 40 years.

James Skarstad was a career Air Force man and Greg's travels started at a young age with his first trip on the Al-Can highway driving to Alaska. He and Wendy met in England when both of their Air Force dads were stationed there in 1963. They were avid travelers and went to all 50 states and most of

Europe and Canada. They had many exceptional travel experiences.

He is survived by his wife, Wendy, his brother Kim Fuoss (Phyllis) of Gibson City, his sister in law, Diana Masters (Dave) of Laguna Woods, Ca. He is also survived by niece Pam Fuoss Adkins and nephew Craig Fuoss of Gibson City, Il and nephew Mark Wilson (Maria) of Aliso Viejo, Ca. and Scott Wilson (Katri) of Saudi Arabia.

He is preceded in death by his daughter, Stacy, his son, Christopher and his canine sidekick, Bubba.

Per his request, cremation rites will be accorded and a celebration of Greg's life will be at a later date due to Covid restrictions.

Memorials may be made to Ronald McDonald House at Comer Children's Hospital or Uplifted Care/Hospice of Kankakee River Valley.

Please sign his online guestbook at schrefflerfuneralhomes.com.

“ Greg has been a friend since 1963-'64 when we were all in high school in Lakenheath, England. He was one of the nicest, kindest people I have ever known. I loved his sense of humor and friendly nature. He will surely be missed.

Wendy, I am so sorry for your loss. Please accept my sincerest sympathy. I so enjoyed following Greg and your traveling adventures.

God bless you. I'm here if you need me.

“ I attended Lakenheath High School with both Greg and Wendy. I have many memories of Greg during the Class trip to Rome in 1964. I was only a sophomore but was able to go along. He, Lani Skousen , and my sister Dianne Lewis shared a lot of time together on that trip.

He was a one of the good guys.

May he rest in peace.

Prayers and thoughts and hugs to you Wendy and the rest of the family.

“ I'll always be so grateful for Greg's support and willingness to help out on my documentary projects. He was such a good sport doing take after take playing his role as a dinner party host. My condolences.

“ Way too soon, my friend. I always hoped we’d be the last of the LHSers, and that we’d still be telling anyone who’d listen that we’d known each other since 6th grade. We had some great times over the years with visits in Herscher, Chicago, Milton and at LHS reunions all over the country. Will miss you, my friend.

High school was a special time for us and Greg and Wendy were an integral part of my fond memories. We Air Force brats really partied in Rome on our senior trip! I'm glad we reconnected at the LHS reunions. Greg was a good classmate, a friend to everyone, and he became a good man whom we lost too soon. Bob and I are so sorry, Wendy.

You have born more than your share of sorry with such grace and resilience. This is so unfair. May you enjoy the memories you made together and find peace. We are so sorry for your loss.
