“ I first met Michelle in high school, where she befriended me and was always a kind, sensitive, funny, and loyal friend. She was a bigger than life personality, strong willed and feisty. She was fiercely loyal and loving to those who were close to her. She had a good heart and a free spirit. In all my life I have never met another person as fabulous as Michelle. She was one in a million-a firecracker that lit up the worlds of those who knew her, and amazed and enraptured us as she sparkled. Our skies are forever darker and less amazing without the brilliant light that was Michelle.
