“ Aunt Irene I will miss hearing your sweet, calm southern voice telling a story or making us laugh. I only wish we had more visits, but the times that we shared were so very special. Dad always talks about growing up with a wonderful sister and how you were a second mother to him. You have been an amazing caregiver to Aunt Brenda. We will forever miss your kind, strong and loving presence.

“ *We couldn't ask for a better neighbor, her kind heart and gentle spirit touched our lives and hearts.
I asked my Mom and Grandma to look her up in heaven and bring Irene a big platter of apricot kolacky, she loves those kolacky!

“ Dear Cousin Debbie, Aunt Brenda, Dad and Mom,

It is with great sadness that I write to you and tell you how sorry I am to know that Aunt Irene has passed away. My regret is that I didn't get to spend much of my adult life around my special Aunt with whom I was named after.

I have very fond and precious memories of her as a child. One of which I will never forget, and I thank God to this very day. When I was about 3 years old, Aunt Irene took us to a pool, We would go down the "big" slide and Aunt Irene would catch us at the bottom. One time I went down and realized that she wasn't there (only too late) I knew that once I went under, it was over for me! But, I thank God that she did find me and pulled me right up out of the water!! She saved me from drowning.

Debbie, you truly were blessed to have a special Mother, Dad and Aunt Brenda, a special sister!! I'll never forget her kindness, and her smile. I am praying for all of you I know it has been a very difficult time.

With much Love,

Irene
